SUMMARY

Certified media arts educator and multimedia artist with 10 years of experience in PreK-12 technology education and social-justice-focused curriculum designing. Current Cinematic Arts master's student at Griffith University. Expert in digital storytelling, media production, and community event planning.

TOP SKILLS

- Social-justice focused curriculum design
- Audio/visual editing - Photoshop, Premiere Pro, DaVinci Resolve, Illustrator, InDesign
- Event planning and project management - art street festivals, film festivals, and community film screenings
- Film producing - creative development, budget management, project scheduling

EXPERIENCE

2023 - 2026 | **Photography and Digital Arts & Design Teacher** | Manchester Public Schools, CT USA

- Designed and delivered 8th grade Media Arts units within the Technology Education curriculum
- Integrate anti-racist, culturally responsive pedagogy into daily instruction
- Developed projects exploring identity through digital storytelling and media

2022 - 2023 | **Long-Term Visual Arts Substitute Teacher** | West Hartford Public Schools, CT USA

- Designed state-standard multicultural Visual Arts units for PreK-8
- Managed three consecutive 60-day teaching assignments at middle and elementary levels
- Maintained student engagement using proactive positive reinforcement strategies

2021 - 2022 | **Career and Technical Education Teacher** | Consolidated Schools of New Britain, CT USA

- Designed state-standard three-dimensional modeling curriculum for Grades 6-8
- Maintained positive classroom management to drive targeted student learning initiatives
- Diversified instruction to support students with unique learning styles

2017- 2020 | **Teen Media Program Manager** | Community Art Center, MA USA

- Managed 25,000 USD annual national youth film festival partnered with MIT.
- Oversaw multimedia content production from initial ideation to final editing.
- Taught teen-centered multimedia workshops crafted through a social-justice lens.
- Coordinated three major public art installation projects each year.

2017 | **Senior Counselor** | Phillips Brook House Association, Harvard University, MA USA

- Designed an eight-week ESL curriculum for students aged 16-18.
- Engaged in stakeholder partnerships with NGOs.
- Led weekly life-skills workshop for highschool students with immigration background.

2015 - 2016 | **Documentary Producer** | Maya Universe Academy, Nepal

- Directed a documentary relating to the school's resilience following the 2015 Nepal earthquake.
- Secured funding from NGOs in the U.S.
- Produced and managed all documentary production such as film making, audiovisuals and video editing.

2014 - 2015 | **Multimedia Intern** | Impact Everything, CT USA

- Produced multimedia content for corporate social media and websites.
- Managed promotional video interviews and product photoshoots.
- Coordinated marketing operations for dynamic pop-up store events.
